Best of New Zealand and Australia

An exclusive 29-day fully escorted tour

Why settle for just Australia or New Zealand when our 29 day tour gives you both? The Best of Australia and New Zealand starts with a 2 night stopover in Singapore where you will enjoy some sightseeing and free time to explore further or simply relax before continuing on to New Zealand.

Here our tour includes both north and south islands where you will experience this country's unspoilt beauty with its sparkling fiords, geysers, snow-capped mountains, national parks and magnificent Maori culture.

Then it's on to Australia where you will see cosmopolitan cities and sweeping beaches, the history of Alice Springs, the dramatic landscapes of Ayers Rock and the breathtaking beauty of the Great Barrier Reef. This is one journey you'll never forget.
